

Getting to Brodie Centre, Conference room 405 !

This Walkthrough could be useful for finding the location of the Autumn HPC and Cloud Computing Workshop 2026. The Workshop starts at 9:30AM at Brodie Centre 405.

1. Get to UManitoba Bannatyne campus. Locate the Main entrance. It looks so:

2. Enter through the rolling door, and walk straight, past Tim Hortons.

3. Then turn to the right, go past the portraits of various Bannatyne dignitaries to the elevator. No mention of the Brodie center on the arrows. Ignore this fact.

4. There is first floor of the Brodie centre along the path! It is marked above the door:

5. Enter the Brodie centre. Look around and spot the closest elevator: this one. **Take 4th floor.**

6. Exit the elevator. Turn **left**, go through the unmarked, inconspicuous **Brown Single Door**.

7. Follow the signs to the Brodie 405: turn left, go through the long corridor.

8. Keep going through the long corridor. Walk straight, pass through any doors .

9. Our destination, room 405, is at the end of the corridor. Reach the closed solid door. Turn right. The room behind a glass door is **Brodie Centre room 405**

10. It looks so on the inside. See you there!
